Kiel-Card

Information and services

With your **Kiel Card** you can use the services provided by the education package for children and young people.

Services covered by the education package are:

- lunches at schools or day care centres,
 - day trips with the school or day care centre,
 - sports, leisure and cultural activities,
- and required learning support through a separate application.

On receipt of your **Kiel Card** please present it as follows:

- for school meals: service providers for school dinners
- for lunches at day care centres: the day care centre
- for day trips: the school or day care centre
- for sports, leisure and cultural activities: directly to the club/provider of your chosen event

The **Kiel Card** enables you to use the internet to

- search for services in your region,
- view approved benefits provided by the education package,
- transfer payments for sports, leisure and cultural activities to the club/organiser.

You can register online here and find out more about the education package:
